STEP FOUR – ACTIVATION PT. 1
CREATIVE POWER IN
OPERATION!!!

We are ready to start the activation process. You are getting ready to see your life change on every level.

The #1 thing I have come to know in my heart of hearts is that everything you desire to have manifest in your life is created from the inside.

It's all about who I am at my core. The center of who I am—That is what I must bring to the world. I must BE my business, (ministry, life, etc.) and not simply DO my business, etc.

A big part of your confusion is due in part to you not having an opportunity to fully know who you are. I want to make sure you now know who you are. You have expended a lot of time and energy getting to know who God is. I have a shocking revelation to reveal to you.

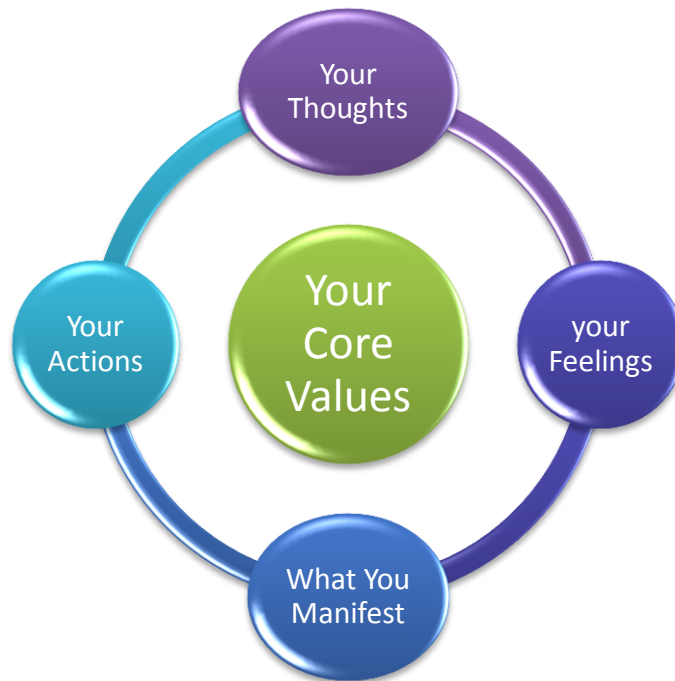

KNOWING GOD IS KNOWING YOURSELF

The more you can understand who you are, what you are, and why you are here, the more you will understand God and see the greatness and majesty of what He created. This factor will then allow you to know God in a way you have not known or appreciated Him before. This is not about religion this is about relationship, connection, and the co-creative process.

Clarity is key, I can't stress that enough. The clearer you are the faster you can create the desires of your heart.

THE CREATION PROCESS

We are activating the creation process for lasting spiritual success. As I stated earlier, what you want to see manifest on the outside is created from the inside.

The creation process we are going to activate is what I call the Life Attraction Plan. It is important that you begin to adopt the Spiritual Principle of Attraction, where what you desire begin to flow into your life.

You want to attract the right people, circumstances, opportunities, etc. You want to position yourself where increase and abundance show up in your life in a huge way. We start small and continue to increase and expand on every level.

Step Four: Activation Pt. 1

In order to activate your Life Attraction Plan, you must honor Spiritual Laws and come into **CLEAR AGREEMENT with who you are and value your true worth. This is ground zero.** From this place you can then honor the Spiritual Laws of ebb and flow, sowing and reaping, increase and abundance.

ABUNDANCE

Abundance means more than having quantities of things; it means having things that fulfill you as well. Money can be a part of having abundance.

You want to bring the core of who you are (Your SASS™) into everything you create. As your consciousness expands with your divine self, you will want the place you live, the items you buy, your relationships, and your lifestyle to reflect your higher ideals and values.

We have been working backwards, we tried to get things to say that we are a certain way, or live a certain lifestyle, but that is backwards. You must be that on the inside and then it will manifest on the outside.

Increase, abundance, money all seem to evade us because we are not in clear agreement with the laws that govern prosperity. You will have more money, peace, joy, happiness when you:

- ◆ Do your life's work
- ◆ Honor and serve the highest possible good for yourself and others
- ◆ Cooperate rather than compete with others
- ◆ Allow your every energy and money exchange be a winning situation for everyone involved.
- ◆ Practice the art of non-attachment

I want you to do the following exercise to begin to activate your success and begin magnetizing your hearts desires to you.

Step Four: Activation Pt. 1

STEP 2: What energizes you? What makes you get out of bed in the morning? What is important to you? What do you want to achieve? What can't you live without?

This is designed to help you understand what makes you tick!

Step Four: Activation Pt. 1

STEP 3: What do you choose for others to expect from you?

STEP 4: What Do You Choose to improve?

STEP 5: What are your Core Values?

Example: Love, Integrity, Compassion, Freedom, Spirituality, etc. These are your guiding values that drive your decision making.ⁱ
