# Tapping Into Creative Power

**Grace To You And Welcome!**

I want to take this opportunity to congratulate you for making an investment in your life through this resource. Get ready to see miracles manifest as you purposefully and intentionally tap into **CREATIVE POWER!**

## How To Use This Activation Treatment...

Make sure you are in a quiet place away from all distractions. Sit in a comfortable position and breathe. Remember, if you want to change your thought pattern, you must change your breath pattern!

I suggest you use this "**Empowerment Activation Treatment**" for 10 days. Also, use it whenever you feel you need to reset your mindset to shift your **focus** and gain more **clarity**. **In less than 10 minutes**, you can recalibrate your energy and start recreating your life.

My intention is to put the necessary **Spiritual Success Tools™** into your hands. Tools that will allow you to experience **an immediate shift** in your perception of **YOU, AND THE INFINITE CREATIVE POWER YOU POSSESS!**

In this Video Action Guide, I have highlighted key points from this activation, along with "**Spiritual Success Principles™**" that you will want to implement. You will discover what it means to create an alternate reality. Everything you are witnessing in your current realm of appearance was created by you.

The good news is, you created that reality yesterday and today you have a brand new opportunity to consciously create something different.

Use the **Empowerment Activation Video** along with this Guide over and over again. As the famous saying goes..., "**Repetition is the mother of all learning!**" This will enable you to take the necessary steps to activate your **Creative Mind** and jumpstart your ability to manifest miracles!

Remember, information without implementation will not yield a fruitful harvest.

To Your Creative Success,

Dr. Elona Sanders
