Thank you for connecting with the Global Empowerment Worship Community.

We are dedicated to delivering personal empowerment, spiritual empowerment as well as professional empowerment. We believe in words as recorded in John 10:10:

“The thief comes only in order to steal and kill and destroy, I came that they may have and enjoy life, and have it in abundance to the full, till it overflows).”

Today, we are activating the Spiritual Principle, “we are Prospering even as our soul prospers”.

Scripture References:

Sing , O barren one, you who did not bear; break forth into singing and cry aloud, you who did not travail with child! For the [spiritual children of the desolate one will be more than the children of the married wife says the Lord,

Enlarge the place of your tent, and let the curtains of your habitations be stretched out; spare not; lengthen your cords and strengthen your stakes.

For you will spread abroad to the right hand and to the left; and your offspring will possess the nations and make the desolate cities to be inhabited.

Fear not, for you shall not be ashamed; neither be confounded and depressed, for you shall not be put to shame, for you shall forget the shame of your youth, and you shall not [seriously] remember the reproach of your widowhood any more. (Isaiah 54: 1-4 amp.)

And of the children of Issachar; which were men that had understanding of the times to know what Israel ought to do; the heads of them were two hundred; and all their brethren were at their commandment.

Of Zebulun, such as went forth to battle, expert in war, with all instruments of war, fifty thousand which could keep rank; they were not of double heart.
(I Chronicle 12:32-33)

(ACIM Workbook for Students Lesson 58 pg. 96)

My holiness is unlimited in its power to heal, because it is unlimited in its power to save

What is there to be saved from except illusion? And what is illusion except false ideas about myself? My holiness undoes them all by asserting the truth about me. In the presence of my holiness, which I share with God Himself, all idols vanish.

EMPOWERMENT MESSAGE #1

Your Worldview. What You See Is What You Get.

Activating The Issacharian Anointing

In this season you must be discerning and have an understanding heart to be able to discern the times and know what you ought to do. It's all about your place and position in this realm of understanding that's going to determine what you are able to create.

It's time to position yourself to show up fully and take your place. Here are a few things to consider:

Everything Starts From The Inside

Remember, your **"Rich Inner Life of the Kingdom of Heaven."** Everything starts from the inside and manifests outside in your realm of appearance! In other words, please keep in mind that your **inner-world** creates your **outer-world** and you must allow **abundance and affluence** into both of them! Your **"Rich Inner Life Of The Kingdom Of God"** is full of **unlimited potential and infinite creative power!**

EXPANSION OBSTACLES...

Yesterday's Belief

If you are still invested in the things you believed in the past, they may be a major obstacle to your ability to expand. Often times so many good people are loyal to family beliefs, traditions, and ideologies that will prevent you from fulfilling your dreams. Part of awakening out of sleep and growing, is your ability to evaluate your belief and make any necessary adjustments. Just because you believed something yesterday does not mean it is still relevant today. You must be willing to be totally honest with yourself and acknowledge when you are holding on to beliefs, rules, or traditions that no longer supports who you are.

Resisting Change

In order to see the manifestation of what you know belongs to you, you must be willing to make the shift from yesterday, i.e. your past into the present moment which is your place of power! Fear can arise when you think about your future mainly because you are shifting out of your comfort zone. Be willing to move forward in faith. Even if you don't have all the answers today, be willing to venture out into the unknown. Remember the life that you desire to live is on the other side of fear!

A Beggar's Mentality

You Don't have to beg God! Take a look at your prayer life and identify the following:

- When you pray you are often crying?
- When you pray you are often asking with uncertainty?
- When you pray are you fixated on the pain of past experiences?

This kind of praying will lead to living a life of disappointment and confusion because it doesn't yield any lasting results. You must pray from your exalted position of power and authority. (Seated in heavenly places!).

You don't have to beg God. You must settle once and for all that you are already blessed. You are already highly favored, and all things are working together and fitting into a plan for your good. Please know that when you pray you are heard and if you are heard then you will have the petitions you desire. Remember... ***"Whatsoever things you desire when you pray, believe that you receive them and you shall have them!" (Mark 11:24)***

You must be confident that God is not angry with you. You are not cursed, nor are you being punished for something that happened years ago. You must make an adjustment in your mindset. It's all working for your good!

Take a moment and answer the following as thoroughly as you can.

Identify things that you believe no longer serves you. Even if it means disconnecting from things or placing new boundaries in your life.

How many of those beliefs were developed from your childhood environment? Or how many of those beliefs came from other people, groups, etc.?

Why are you still embracing or practicing those beliefs?

Take a moment and describe your relationship with God and God's relationship with you. Deep down, how do you think God feel about you. Be as honest as you can. No right or wrong answer as long as it's honest and not what you were trained to believe.

YOUR RICH INNER LIFE OF THE KINGDOM OF GOD

The Kingdom within.

As I stated previously, there is an eternal/infinite world within. Your inner-world is the place of real power. You are a triune being. **You are spirit, you possess a soul and you live in a physical body.** When you come to understand that you were created with a dominion mandate and that you have power and authority in this physical realm, your life will change forever.

You are the creator of your world period! As recorded in Genesis 1 and 2, God modeled for Adam how to use creative power. **"Adam, whatever you call it, that is what it will be forever."** In chapter 2 we see the man Adam doing the same--giving everything a name. What are you naming the things in your life?

Where Attention Goes Energy Flows

Wherever your attention goes, energy/creative power flows in that direction. And, wherever your creative power is directed, you will manifest the fruit of that focus. That is how powerful you are!

There are as many ways to believe in this world as there are people alive. If you believe you can, you can. If you believe you can't, then you can't.

Whatever you believe will lead!

Your belief and the Law of Attraction

The Spiritual Law of Attraction say, "Like attracts Like". In other words, that which is like unto itself will attract more of the same. It has been said that if you hold a thought in your mind for 17 seconds, it will start a reaction and attract more thoughts that are the same. More accurately, it will attract more thoughts that holds the same vibrational frequency.

That goes for positive thoughts or negative thoughts. You are what you think about and what you think about you will bring about. Thoughts become things. Scripture has a lot to say about thoughts, words, and actions. (Too much to record here.)

Just know that you are creating your world with your thoughts, your beliefs, your words, your actions, or inactions. You are more powerful than you know. Start using this Law on purpose. Be deliberate. Be intentional!

EMPOWERMENT MESSAGE # 2

Let's Get Ready For Expansion.

Do not despise where you are right now in your life. The truth is, you are:

- Sitting in the seat of unlimited power
- Sitting in the seat of unlimited holiness
- Sitting in the seat of unlimited creativity

In this world you have been trained to focus on your human behavior and to meditate on your mistakes. You are trained to constantly look at your lack, your limitations, and your disappointments. This is the time to activate the *Issacharian anointing* to discern the times and know what you need to do.

You must overcome the addiction of tapping into the physical realm of appearance where all the scarcity and lack resides. Start training yourself to tap into your **"RICH INNER LIFE OF THE KINGDOM OF GOD"**. That is where your true power resides. Your power of **EXPANSION** will allow you to get more done with less. **Time is an illusion. Really!**

Settle The Fact That You Are A Divine Being!

Today, make a conscious choice to settle once and for all that you are a divine being with all the qualities of **GOD INHERENT WITHIN YOU!** You may have been extremely judgmental and critical of yourself, but your focus can no longer be fixated on limitations. Choose today to start focusing on your unlimited power.

Can you see your **GOD-SELF, GOD-NATURE, DIVINE-SELF** (Whatever you choose to call it) with all power in this physical realm? Describe it here.

Finally disconnect from:

- **Family**
- **Religious Environments**
- **Traditions**
- **Faulty Beliefs, etc.**

When I say disconnect that may be as simple as creating new boundaries. I am not suggesting that you cut people off unless you are in an abusive environment and your life is in danger.
