For with God nothing is ever impossible and no word from God shall be without power or impossible of fulfillment (Luke 1:37)

BUILDING FOUNDATIONAL PIECES FOR PROSPERITY...

In Buddhism, It's said that suffering comes from our attachment to how things are, or were, or might be.

As long as we look at our circumstances as bad simply because they aren't as we want them to be right now, we cause ourselves grief. We start thinking less than ideal is BAD and we become bessed with the idea that things are not the way we want them.

One of my favorite Quotes...

MARYANN WILLIAMSON SAID:

“Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us. We ask ourselves, 'Who am I to be brilliant, gorgeous, talented, fabulous?' Actually, who are you not to be? You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others.”

God is a God of number and 2018 brings us to the number eleven. Eleven is a Master Number.

Get ready to tap into your ***Inner Guidance System*** and soar! As you tap in, there is a new awareness about **YOU**. At this time you may find...

- What you have been focusing on is no longer valid.
- Everything has come to an end. Even the way you imagined yourself no longer exists.
- This is the miracle of YOU!

THIS IS A YEAR TO STAY FLUID, PLIABLE, AND READY TO SHIFT AND ANY GIVEN MOMENT!

Remember, darkness cannot comprehend light....you are light... your warfare is accomplished. Don't let anyone put you in a box.

Success is measured in small steps. Each step is as valid and valuable as the next. Worrying about the ultimate goal will rob you of the passion to fulfill just one tiny step towards manifestation. No more stalling!

**Real intimacy with God is coming into agreement with God!
Be certain that God always hears you.**
