Early Morning Empowerment 21- Day Prophetic Gathering

2018 Focus: HEALTH, WELLNESS, AND WEALTH!

WEEK TWO RECAP:

Foundation Scriptures...

Thou crown the year with a bountiful harvest even the hard places overflow with abundance (Psalm 65:11)

For with God nothing is ever impossible and no word from God shall be without power or impossible of fulfillment (Luke 1:37)

And blessed is she that believed; for there shall be a performance of those things which were told her from the Lord. (Luke 1:45)

This Week we continued laying the foundation for activating the #1 key to your success this year—**INTIMACY WITH GOD!** We covered activating Intimacy with God through:

- ✓ Awareness
- ✓ Identity
- ✓ Relationship
- ✓ Getting out of your way
- ✓ Purification

Intimacy with God is coming into agreement with God!

There are some habits, rituals, or beliefs we all have engaged in that are counter-productive to real intimacy with God. You must activate another level of **TRUTH** in order to have intimacy with God.

TRUTH is universal! No one group has a monopoly on **TRUTH!** This level of Truth is eternal. This Truth never changes. It can be hidden but it never changes.

This level of **TRUTH** flows out from your "Divine Nature" God has already given us all things that pertain to **LIFE and GODLINESS.** And, He has given us all things freely to enjoy. Jesus the Christ said... "**IT IS FINISHED!**" Now it is up to you. You are in control.

When you come into the realm of the supernatural, flowing out of your "Divine Nature" allows you to become a "super-being!"

The Supernatural Is Activated When You Are In Right RELATIONSHIP With God.

Being in right relationship says:

- You know God for yourself
- You are confident that God always hears you when you pray
- You are flowing from the deep intimate knowledge of God in you

Remember, You Are In Control

God has already done His part; now it is up to you to do your part. You are creating your reality daily based upon:

- The thoughts you think
- The feelings you feel
- The actions you take or don't take...

Creates your reality!

The first dimension of power is Awareness

The first thing that happens when it's time to awaken is that you will become aware of who you are, your environment, who you attached to, and what you have allowed in your life. Rev. Dr. Michael Bernard Beckwith states in his life-visioning process four stages of awareness:

- Victim
- Manifestor
- Conduit
- Divine-self

It's time to embrace your new identity. You are just like God. As He is above, so are you, right here... right now!

Understanding How To Get Out Of Your Way

For many of you, you will only realize your true identity when you stop and hit the **"RESET BUTTON!"** I would dare to say that 90% of what you are experiencing is due to what you believe. Today you must hit the reset button and release:

- False Beliefs
- False Burdens
- Being in your own way

You must also have an awareness of:

- Your surroundings
- What you are allowing
- Your thoughts
- Your feelings
- You Actions or non-actions

Keeping your energy in right alignment is crucial. Remember you want to **RESPOND** rather than **REACT** to circumstances. Your **"Ego Mind"** has a job to do and that is to keep you safe. It will always point out the negative. It will keep you fearful and afraid to step out and fulfill your destiny. In this season you want to:

- Flow out of your **"Rich Inner Life"**
- Tap into **VISION WITHIN**

- Become conscious of what you are thinking most of the time
- Make a major shift from being negative to being positive, and from fear to faith. You are the strongman
- Decide and decree and watch it be established for you
- Practice the law of non-attachment

Getting Out Of Your Way Through Purification

Create in me a clean heart O God and renew a right spirit within me. (Psalm 51:10)

The definition of purification... To make pure; free from anything that debases; pollutes, adulterates, or contaminates.

To make free from foreign, extraneous, or objectionable elements.

To free from guilt or evil. To become pure.

Taking Action!

Information without implementation will not yield a fruitful harvest!

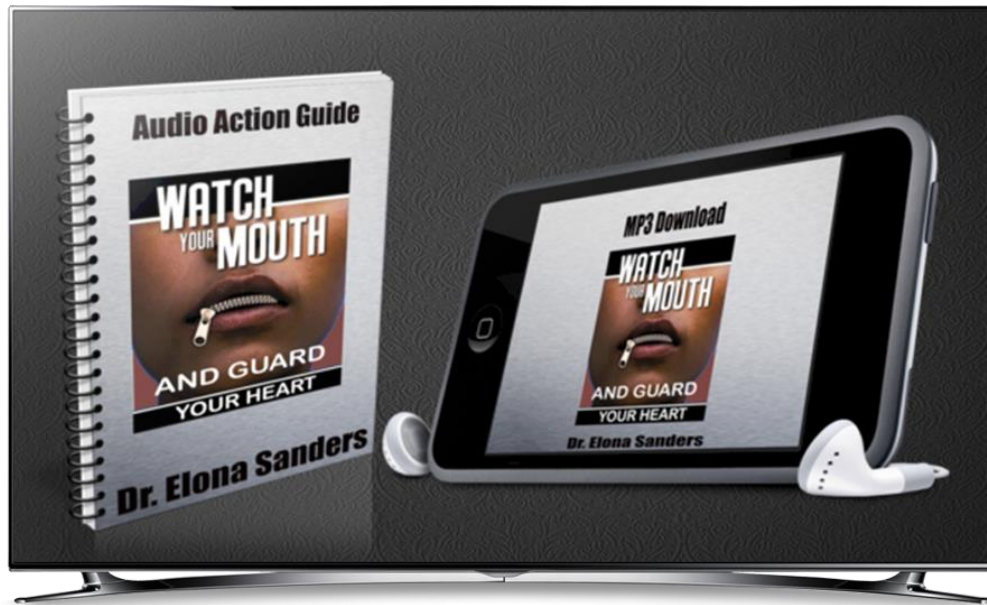

What have you become more aware of this week?

What is your stage of awareness now?
